

# GETTING YOU TO YOUR WINE

Our Wine Guys, François and Alejandro have taken great pleasure (and a bit of brotherly horseplay) in putting this selection of wines together for you to enjoy; be it over a meal or sitting back and catching up with friends and family. All our family members have their favourite too if you're stuck for winespiration.

# GOES GREAT WITH

We hope you enjoy wine as much as we do and thought that you might be interested in some suggestions from our wine guys.

These are their recommendations this month for wines that complement the current season's a la carte dishes.

If you are a bit more curious, do ask about our wine specials, or for our Little Black Book of wines that we hold in tiny (but don't worry, not crazily expensive!) quantities.
